

REMARKS

The attached replacement sheet for FIG. 8 was inadvertently omitted from the Amendment filed December 23, 2004. In the replacement sheet, reference numeral 6 is changed to reference numeral 30, consistent with the disclosure on page 8, line 29, of the specification. In addition, cut-out 65 is inserted, consistent with the disclosure on page 7, lines 28-31, of the specification, which states that the bottom face of knob (32) includes a cylindrical stub (56) having a cross section with a complementary shape to a cut out (65) on the disk (30) or vice versa. No new matter is introduced, and no extension fee is required as these drawing changes are being made voluntarily, not in response to an objection.

Although page 6 of the Amendment filed December 23, 2004, referred only to FIG. 6, as discussed in the "Remarks", replacement sheets including FIGS. 4 (no changes) and 5a-5c were also submitted.

To any extent necessary, Applicant hereby requests an extension of time in which to respond to the outstanding Office Action and hereby authorizes the Commissioner to charge any required fees not otherwise paid, including application processing, extension, and extra claims fees, to Deposit Account No. 07-1337.

Respectfully submitted,

LOWE HAUPTMAN GILMAN & BERNER, LLP
